Registration

- Is to be completed by **3pm Friday 24th May**
- Please let the event coordinators know on the day if a child is unable to attend

Venue

- Wanaka, Mount Aspiring Road (just before the Waterfall Creek turnoff). There will be a sign on the road side and somebody directing parking
- Please note this is private property and we are lucky to have the support of the owners so please treat the venue and surrounds with respect

Times

- 9.30am - 3.00pm
- Race Briefing at 9.30am
- Children will be issued with an SFR electronic timing chip before the race. They will be issued this at the event registration and need to use the chip number allocated to them. They will wear this chip on their finger to record their start time, each control they visit and their finish time.
- Start times will be sent out prior to the day (Sunday night). Please check this and ensure each child knows their start time and this is written on their right hand.
- Children will wear the SFR electronic timing chip on their index finger.

Awards

- Certificates will be posted out following the event

First Aid

- First Aiders on hand
- Please ensure you copy the [SAP](#), make necessary changes for your children and take all necessary medication with you

Toilets

- 2x Portaloo's on site

Parking

Cars and buses etc... will be parked on site in the paddock

Marshalling and staffing

- Schools from each zone will need to provide officials to help run the event. Schools are also responsible for managing the behaviour of their children on site and checking when children leave the event.
- We will need a number of parent helpers out on the course at specific places to ensure that the children stay within the boundaries and do not end up in Wanaka or Glendhu Bay.
- I will organise officials on the day. You will be assigned an area to be where you can help monitor children for safety reasons.

Food and other information

- Please bring all food and drink that you need as there is no running water or any shops nearby. There will be a coffee cart! Do not bring your dog as this is private farm land.
- Bring a picnic, thermos of coffee, camping chair and your sunglasses for a fun day of spectating
- It is a good idea to bring something to play with whilst waiting for their race - ball, hacky sack etc...
- Wear appropriate sporting clothing for running on a winter day. If the grass is damp it's highly likely children finishing will have wet shoes and socks. Bring a change of footwear and WARM clothes .

Health & Safety

- Please ensure the children are carrying any medication that hopefully will not be required.
- A copy of the SAP plan can be found [here](#)
- If the weather inhibits the opportunity to run this event there will be a notice on **Wanaka Primary School website www.wanaka.school.nz before 7.30am.**
